45th Street & E Crow Drive Road Closure and Pilot Hill Trail Access Information

Laramie, WY – Beginning May 5th and running through June 9th, the City of Laramie will begin the process of re-drilling municipal well 41T3, which will require the closing of motor vehicle access to the corner of 45th Street and E Crow Drive—see map inserted below.

During this time, access to the Pilot Hill trail system will not be accessible through the construction area. Alternatively, Pilot Hill Project staff encourage trail users to access the system from the east end of Willett Drive. Pilot Hill visitors can also utilize the Recreation Center parking lot and cross Grand Avenue at the Grand Avenue and South Boulder Drive stoplight intersection.
